LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4A Single-Family Residential District
South	Undeveloped	A-4A Single-Family Residential District
East	Residential	A-6 Multiple Family Residential District
West	Undeveloped	A-6 Multiple Family Residential District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-6 Multiple Family Residential District to A-4 Single-Family Residential District. This site is located on the north side of Lakeview Drive, being lot 19, Unit 1-A, Eden Isles Subdivision. The 2025 future land use plan calls for the area to be developed with residential uses. Staff does not have any objection to the request.

Note that the objective of the request is to allow for the construction of a single family residence.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-4 Single-Family Residential District designation be approved.
