Slidell Library Parking Lot

Allocate available funds to construct an additional parking lot on property purchased in 2019. Project includes adding ADA accessibility to the south entrance and modifying the steep incline. The Library Board of Control adopted a resolution on June 30, 2020 authorizing the budget based on a preliminary cost estimate from a consultant. After the project is designed and before bidding, the budget will be adjusted as necessary based on a detailed statement of probable cost from the design engineer.
