RE: Road name change from Roger Drive Extension to DENTY CRAWFORD ROAD

Dear Ms. Lambert:

I, Denty Crawford, request to change the name of Roger Drive Extension to Denty Crawford Road. I am the only resident that fronts this road, which was a right of way left by developer John Dunbar. I have paid for all costs and expenses, from beginning to end, for the construction of this road. Expenses that includes an \$8,000.00 performance obligation, \$4,600 warranty obligation, insurance on the property, and all permits. Corps of Engineers soil bore samplers, surveying several times by JV Burkes, which also included the design and drawing of plans for a black top road that were in accordance with St. Tammany Parish specifications, which I personally submitted to the parish for approval. I hired Lowe Bros., L.L.C. to clear the right of way and then construct and build this road to previous mention specifications. I was on this site daily, from the beginning of this project to the final inspection. I personally planted grass on the shoulders, and kept and still keep the entire area clear of any debris, which included picking up trash and garbage that irresponsible citizens would dump in the area because this road dead ends.

I have spent an enormous amount of my personal time and money on this road project. I have attached my property tax bill to show taxes paid.

With all of the above said, I wish to name this new road, DENTY CRAWFORD ROAD.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Denty Crawford

Enclosure.
