LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-1 Suburban District
South	Undeveloped	A-1 Suburban District
East	Residential	A-1 Suburban District
West	Undeveloped	A-1 Suburban District

EXISTING LAND USE:

Existing development: No **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-1 Suburban District to A-2 Suburban District. The site is located on the west side of Henderson Road, south of Gottschalk Road, Covington. The 2025 Future Land Use Plan designates the site to be developed with residential uses that vary in site design and density.

The applicant is requesting to rezone a one-acre tract of land from A-1 Suburban District, which allows 1 dwelling unit every 5 acres to A-2 Suburban District, which allows 1 dwelling every acre. The subject site is flanked by property that is zoned A-1 Suburban District and a change in zoning would allow for a higher density than what is currently permitted in the area. As such, staff is not in favor of the request.
