STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from HC-2 Highway Commercial District to MD-3 Medical Facility District. The site is located on the north side of Highland Park Plaza, west of Louisiana Highway 21, Covington. The 2025 Future Land Use Plan designates the site to be developed with institutional uses.

The subject site is currently developed with an unoccupied hospital and medical complex. The property’s current HC-2 Highway Commercial zoning designation allows for moderately scaled retail and service uses. The applicant is requesting to rezone the 15-acre site to MD-3 Medical Facility District to accommodate a proposed behavioral healthcare facility. Staff has determined that the requested MD-3 Medical Facility District will permit uses that have been traditionally associated with the site and that are closely related to the medical office complex to the east. As such, staff is not opposed to the request.
