LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

| <u>Direction</u> | <u>Surrounding Use</u> | <u>Surrounding Zone</u> |
|------------------|------------------------|--|
| North | Undeveloped | HC-2 Highway Commercial District |
| South | Residential | A-3 Suburban District |
| East | Residential | HC-2 Highway Commercial District and A-3 Suburban District |
| West | Residential | HC-2 Highway Commercial District and A-3 Suburban District |

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-3 Suburban District and HC-2 Highway Commercial District to A-3 Suburban District, HC-2 Highway Commercial District, and MHO Manufactured Home Overlay. The site is located on the east side of Preachers Oak Lane, south of US Highway 190, being Lots 44 and 45, Square 3, Avondale Subdivision, Slidell. The 2025 Future Land Use Plan designates the site to be developed with residential dwellings that vary in site design and density.

The subject property is located in a neighborhood that is developed with a majority of manufactured homes. The nearby intersection of Preachers Oak Lane and North Preachers Oak Lane was rezoned to accommodate manufactured homes in 2015 (ZC15-05-048).
