COMPREHENSIVE PLAN:

Residential/Agricultural - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-1 Suburban District to A-3 Suburban District and MHO Manufactured Housing Overlay. The site is located on the north side of Joe Ellen Drive, east of House Creek Road; Bush. The 2025 Future Land Use Plan designates the site to be developed with rural residential and agricultural uses.

The subject property is developed with an existing residential dwelling and is flanked on all sides by property that is zoned A-1 Suburban District. The existing A-1 Suburban District allows one residential dwelling per every five acres. The requested A-3 Suburban District allows two residential dwellings per acre. The purpose of the MHO Manufactured Housing Overlay is to allow for the placement of mobile homes. There is currently no property along Joe Ellen Drive that is zoned to accommodate mobile homes.

The reason for the request is so that the property owner can apply to place a mobile home on the 1.21-acre property.

Zoning	Max. Density	Front Setback	Side Yard Setback	Rear Yard Setback
A-1	1 unit per every 5 acres	50 ft.	15 ft.	25 ft.
A-3	1 unit per every half acre	30 ft.	10 ft.	25 ft.
