SURROUNDING ZONING: HC-3 Highway Commercial

PETITIONER/REPRESENTATIVE: Donald A. Bordelon

STAFF COMMENTARY:

Department of Planning & Development Comments:

The applicant is proposing to revoke an unopened portion of 10th Street. Donald A. Bordelon desires to assimilate this property into an adjacent residential property, upon which he resides. One (1) property abuts the right-of-way proposed for revocation. The property owner has no objections to the proposed revocation.

Recommendation:

The Staff has determined that the proposal is consistent relative to the Louisiana Revised Statutes governing the revocation of immovable property since the right-of-way does not appear to serve any public use or benefit, other than to the applicant. Therefore, the staff has no objections to the proposed revocation request subject to the applicant assimilating his portion of the right-of-way into his adjacent property through the Parish's resubdivision process and the survey being amended to reflect the following:

- Change all references to Sanders Street to reflect Sanders Street (not constructed)
