**Residential/ Agricultural** - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning classification from A-2 Suburban District, MHO Manufactured Housing Overlay, and RO Rural Overlay to PF-1 Public Facilities District. The site is located on the south side of Louisiana Highway 40, east of Bob Baxter Road, and west of Louisiana Highway 1083; Bush. The 2025 Future Land Use Plan designates the site to be developed with residential and agricultural uses.

The subject site is flanked on all sides by property that is zoned A-2 Suburban District, MHO Manufactured Housing Overlay, and RO Rural Overlay. The site is adjacent to residential dwellings along the northern and western boundaries and undeveloped land along the southern and eastern boundaries. The purpose of the PF-2 Public Facilities District is to provide for the location of public or non-profit owned facilities. The reason for the request is to accommodate a future cellular tower.
