LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4 Single-Family Residential District
South	Residential	A-4 Single-Family Residential District
East	Residential	A-4 Single-Family Residential District
West	Undeveloped	A-4 Single-Family Residential District

EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-4 Single-Family Residential District to A-4 Single-Family Residential District and MHO Manufactured Housing Overlay. The site is located on the west side of Malter Lane, north of Salmen Street; Slidell. The 2025 Future Land Use Plan designates the site to be developed with residential uses that vary in site design and density.

The subject site is currently developed with a manufactured home and is surrounded by a mixture of stick-built homes and mobile homes. There is no property along Malter Lane which is currently zoned with the Manufactured Home Overlay (MHO).
