LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-2 Suburban District
South	Residential	A-2 Suburban District
East	Undeveloped	A-2 Suburban District
West	Residential	A-2 Suburban District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-2 Suburban District to A-2 Suburban District and MHO Manufactured Housing Overlay. The site is located on the west side of Deer Haven Drive and on the south side of White Tail Street, being lot 17, Deer Haven Subdivision; Lacombe. The 2025 Future Land Use Plan designates the site to be developed with residential dwellings that vary in site design and density.

The subject property is flanked on all sides by property that is zoned A-2 Suburban District. There are no sites within the Deer Haven Subdivision that have been rezoned to accommodate the MHO Manufactured Housing Overlay. The site is surrounded by a mixture of stick-built homes and mobile homes.
