LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4 Single-Family Residential District and MHO Manufactured Housing Overlay
South	Residential	A-4 Single-Family Residential District
East	Residential	A-4 Single-Family Residential District
West	Undeveloped	A-4 Single-Family Residential District

EXISTING LAND USE:

Existing development: Yes **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-4 Single-Family Residential District to A-4 Single-Family Residential District and MHO Manufactured Housing Overlay. The site is located on the south side of Jackson Street, west of North 24th Street; Lacombe. The 2025 Future Land Use Plan designates the site to be developed with residential dwellings that vary in site design and density.

The subject property is flanked on all sides by property that is zoned A-4 Single-Family Residential District. The north side of Jackson Street is zoned A-4 Single-Family and MHO Manufactured Housing Overlay which allows for the placement of mobile homes on the property. The majority of the property along the south side of Jackson Street does not have the MHO Manufactured Housing Overlay.

The reason for the request is to accommodate a manufactured home.
