STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-1A Suburban District to ED-1 Primary Education District. The site is located on the west side of Louisiana Highway 40, south of Atwood Road, Covington. The 2025 Future Land Use Plan designates the site to be developed with institutional uses such as churches, schools, or community centers.

The subject site is part of the existing Lee Road Junior High development site. The 10.018-acre property consists of a majority of the school campus including the school buildings and recreation field. The requested ED-1 Primary Education District will allow the existing uses on the site to come into compliance with the correct zoning designation which will also allow future expansion of the school. As such, staff is in favor of the requested rezoning.
