LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Commercial and Industrial	HC-2 Highway Commercial District I-2 Industrial District
South	Undeveloped	HC-2 Highway Commercial District
East	Undeveloped	I-2 Industrial District
West	Undeveloped	HC-2 Highway Commercial District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, *e.g.*) uses, as well as the supporting infrastructure and public services they will require (*See "Small Area Plans," below*). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Commercial – Mixed Use/ Light - Multiple and complementary principal uses permitted to coexist within the same development program and area, typically more intense by land area than adjoining areas.

Industrial - The processing, packaging, delivery or production of goods or services, allowed at various types of and levels of activity. Such activities may include governmental, research, archival or medical.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from HC-2 Highway Commercial District to I-2 Industrial District. The site is located on the east side of Louisiana Highway 59, north and south of Alpha Boulevard, Mandeville. The 2025 Future Land Use Plan designates the site to be developed as a Planned District with commercial and industrial uses with various types and levels of activity.

The purpose of the I-2 Industrial District is to allow for the location of highly intense industrial uses along major collectors and arterials. The request to rezone the property to I-2 Industrial District will allow for a more uniform zoning between Louisiana Highway 59 and the Alpha Industrial Subdivision.
