STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-6 Multiple Family Residential District to HC-3 Highway Commercial District. The site is located on the east side of US Highway 11, being Lots 37, 38, and 39, Unit 1, Eden Isles Subdivision; Slidell. The 2025 Future Land Use Plan designates the site to be developed with various forms of commercial uses.

The subject property is comprised of Lots 37, 38, and 39 of Unit 1, Eden Isles Subdivision. Lot 37 is currently developed with an existing accessory structure that has traditionally been used in conjunction with the adjacent commercial property. Lots 38 and 39 are currently undeveloped. The subject property is flanked by property zoned HC-2 and developed with commercial uses to the north, property zoned A-6 Multiple Family Residential District and developed with an apartment complex to the south, the Grand Lagoon waterbody and single-family residential uses to the east, and single-family residential uses to the west. A change in zoning to HC-3 Highway Commercial District will create a significant increase in the intensity of allowable uses which are listed as follows:

Allowable uses within the HC-3 Highway Commercial District include the following:

- All uses permitted in the HC-2 Highway Commercial District
- Automotive service, stations, centers, and sales
- Indoor recreation establishments, such as bowling alleys, skating rinks and movie theaters
- Drive-in movie theaters
- Storage facilities associated with insurance companies or related offices for wrecked or impounded vehicles (minimum standards apply)
- Commercial recreation, excluding riverboat gaming and associated facilities, outdoor (no lights)
- Lodging, greater than 100 rooms (including apartments, hotels, motels)
- Nightclubs, bars and lounges
- Entertainment which typically consists of live or programmed performances
- Bus, truck or other transportation terminals
- Outdoor retail sales and storage yards
- Portable storage containers used for storage
- Outdoor display area of pre-assembled building, pool and playground equipment
- Crematorium and Cemeteries
