**LAND USE CONSIDERATIONS**

**SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>

South	Residential	A-2 Suburban District
East	Residential	A-2 Suburban District
West	Residential	A-2 Suburban District

**EXISTING LAND USE:**

**Existing development:** Yes

**Multi occupancy development:** No

**COMPREHENSIVE PLAN:**

**Residential** - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning classification from A-2 Suburban District to A-2 Suburban District and MHO Manufactured Housing Overlay. The site is located on the north side of Charlene Lane, south of Karrie Lane; being Lot 74, Ramsey Estates Subdivision, Phase 1, Covington. The 2025 Future Land Use Plan designates the site to be developed with residential uses that vary in site design and density.

A majority of the Ramsey Estates subdivision is zoned A-2 Suburban District which allows single-family residential dwellings as a permitted use. A significant number of lots within the subdivision have been rezoned to A-2 and MHO to accommodate the development of manufactured homes. The neighborhood is comprised of stick-built homes and mobile homes and a change in zoning will allow for the electrical connection of an existing manufactured home.
