STAFF COMMENTARY:

Department of Planning & Development Comments:

The applicant is requesting to revoke an unopened portion of 8th Avenue, in order to assimilate the property into the adjacent property.

Recommendation:

Staff believes that the proposal is consistent relative to the Louisiana Revised Statutes governing the revocation of immovable property since the right-of-way does not appear to serve any public use or benefit, other than to the applicant. Therefore, staff has no objections to the requested revocation request subject to the applicant assimilating the portion of the right-of-way into their adjacent properties through the parish's resubdivision process.
