LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4 Single-Family Residential District
South	Residential	A-4 Single-Family Residential District
East	Residential	A-4 Single-Family Residential District
West	Residential	A-4 Single-Family Residential District

EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-4 Single-Family Residential District to A-4 Single-Family Residential District and MHO Manufactured Housing Overlay. The site is located on the west side of Evergreen Lane, north of Fairview Drive, and east of Sunset Drive, Slidell. The 2025 Future Land Use Plan designates the site to be developed with residential uses that vary in site design and density.

A majority of the Woodland Park subdivision is zoned A-4 Single-Family Residential District which allows single-family residential dwellings as a permitted use. The subject site is currently developed with an unoccupied manufactured home. The neighborhood is comprised of a majority of stick-built homes.

The reason for the request is to allow for the electrical connection of an existing manufactured home.
