ORDINANCE TO IMPOSE A SIX (6) MONTH MORATORIUM ON RECEIPT OF SUBMISSIONS BY THE PARISH ZONING COMMISSION FOR THE REZONING OF MULTI-FAMILY PROPERTY AND/OR ON THE ISSUANCE OF CERTAIN PERMITS BY THE PARISH DEPARTMENT OF PLANNING AND DEVELOPMENT/PERMITS FOR THE CONSTRUCTION OR PLACEMENT OF NEW MULTI-FAMILY BUILDING STRUCTURES ON PROPERTY ZONED A-6, A-7, OR A-8 IN WARDS 8 AND 9, DISTRICT 13.

WHEREAS, there are a large number of multi-family dwellings, which are defined under St. Tammany Parish Code of Ordinances, Sec. 130-5 as three or more dwelling units on a lot, throughout District 13; and

WHEREAS, the City of Slidell, which abuts District 13, has had in place since August of 2020 a moratorium on the review, construction, permitting, and approval of new multi-family dwellings within its municipal limits in order to develop a comprehensive master plan and ensure responsible development throughout the City and to further evaluate the impact of additional multi-family dwellings on City roads, drainageways, water and sewerage infrastructure, and the ability of City government to meet demand for service.

WHEREAS, additional traffic created by the high density of multi-family developments disproportionately impacts the already overburdened roads in the moratorium area; and

WHEREAS, traffic improvement plans of residential developments in progress in District 13 should be completed before permitting new high density residential projects; and

WHEREAS, it is necessary to temporarily suspend receipt of submissions by the Parish Zoning Commission for the re-zoning of property to multi-family residential zoning districts A-6 through A-8 and/or on the issuance of permits for new construction or placement of any new residential building structures in a multi-family residential district (A-6 through A-8) on property located in Wards 8 and 9, District 13, pending completion of the St. Tammany Parish Comprehensive Plan and the implementation of traffic plan improvements; and

WHEREAS, this moratorium will not affect the development of property for which the issuance of permits has been approved by the Parish Department of Planning & Development prior to adoption of this ordinance; nor the development of property that has received multi-family zoning approval from the St. Tammany Parish Zoning Commission prior to April 7, 2022, unless said approval was subsequently overturned or not adopted by the St. Tammany Parish Council; nor the rezoning or development of single or two-family residential properties (A-1 through A-5) or non-residential commercial properties; and

WHEREAS, in accordance with the St. Tammany Parish Code of Ordinances, Chapter 2, Article XVI, Section 2-620, a copy of this proposed ordinance has been placed on the parish website for a period of thirty (30) days prior to its introduction, and all other requirements of said section have been met prior to its introduction.

construction or placement of any new building structures in a multi-family residential district (A-6 through A-8) on property located in Wards 8 and 9, District 13.

BE IT FURTHER ORDAINED that this moratorium will not affect the development of property for which issuance of permits has been approved by the Parish Department of Planning & Development and/or Department of Permits prior to adoption of this ordinance; nor the development of property that has received multi-family zoning approval from the St. Tammany Parish Zoning Commission prior to March 3, 2022, unless said approval was subsequently overturned or not adopted by the St. Tammany Parish Council; nor the rezoning or development of single or two-family residential properties (A-1 through A-5) or non-residential commercial properties.
