LAND USE CONSIDERATIONS

SURROUNDNG LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-6 Multi-Family Residential District
South	Residential and Undeveloped	A-4 Single-Family Residential District
East	Residential	A-2 Suburban District and A-6 Multi-Family Residential District
West	Royal Golf Course	CBF-1 Community Based Facilities District

EXISTING LAND USE:

Existing development: No Multi occupancy development: No

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, e.g.) uses, as well as the supporting infrastructure and public services they will require (See “Small Area Plans,” below). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Single Family Residential – Conservation - These planned districts would include clustered single-family residential uses, at a density – within the overall tract – which is similar to that of adjoining residential uses, and conservation areas, following a Small Area Plan, and providing for balance, compatibility and integration of uses and all supporting infrastructure. Such individual Planned Residential – Conservation developments should aim to achieve contiguity among adjoining conservation areas in adjacent developments.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-4 Single-Family Residential District and MD-1 Medical Residential District TO A-4A Single-Family Residential District. The site is located on the west side of Airport Road, across from Chateau Drive; Slidell. The 2025 Future Land Use Plan designates the site to be developed with single-family residential uses and conservation areas.

The subject site consists of 20.25 acres of undeveloped land which is zoned A-4 Single-Family Residential District and .34 acres of land which is zoned MD-1 Medical Residential District. The applicant is proposing to rezone the entire 22.50 acres to A-4A Single-Family Residential district to establish the underlying zoning classification and density level for a residential subdivision. A change in zoning could gross 54 more single-family residential dwellings than what is currently permitted.

Zoning Comparison			
Zoning Classifications	Acreage	Maximum Density	Max Allowable Gross Residential Units
A-4 Single-Family Residential District	20.25 acres	4 units per acre	81 units
MD-1 Medical Residential District	.34 acres	No residential uses permitted	No residential uses permitted
A-4A Single-Family Residential District	22.50 acres	6 units per acre	135 units
