**Residential/ Agricultural** - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

**STAFF COMMENTS:**

The petitioner is requesting to change the zoning classification from A-1 Suburban District to A-2 Suburban District. The site is located on the west side of LA Highway 25, south of Weary Road; Folsom. The 2025 Future Land Use Plan designates the site to be developed with residential and agricultural uses.

The subject property is part of an undeveloped 2-acre tract of land which primarily abuts undeveloped property zoned A-1 Suburban District to the east, south, and west, and developed residential property to the north. The purpose of the existing A-1 Suburban District is to single-family residential uses on 5-acre parcel sizes. The purpose of the proposed A-2 Suburban District is to allow single-family residential uses on 1-acre parcel sizes.

A change in zoning will allow the applicant to submit for a minor subdivision of a 2-acre tract of land to create two-1-acre parcels.
