GENERAL INFORMATION

ACCESS ROAD INFORMATION

Type: State **Road Surface:** 2 lane asphalt **Condition:** Good

**LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:**

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Undeveloped	A-2 Suburban District
South	Undeveloped	A-1 Suburban District
East	Residential	A-1 Suburban District
West	Undeveloped	A-1 Suburban District

EXISTING LAND USE:

Existing development: No **Multi occupancy development:** Yes

COMPREHENSIVE PLAN:

Residential/ Agricultural - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 Suburban District to A-1A Suburban District. This site is located on the south side of LA Highway 435, east of Peg Keller Road. The 2025 future land use plan calls for the area to be developed with agricultural and residential uses. Staff feels that there is no compelling reason to recommend approval, considering that the site is abutting A-1 Suburban Zoning District on the south, east and west sides.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-1A Suburban District designation be denied.
