REVOCATION STAFF ANALYSIS REPORT

CASE NO.: REV17-03-001

NAME OF STREET OR ROAD: Hickory Street

NAME OF SUBDIVISION: Ozone Park

WARD: 4 PARISH COUNCIL DISTRICT: 5

PROPERTY LOCATION: The property is located at the far western end of Hickory Street, east of U.S. Highway 190 and north of Mandeville, Louisiana

SURROUNDING ZONING: Commercial and Single Family Residential

PETITIONER/REPRESENTATIVE: Salvador Gagliano

STAFF COMMENTARY:

The applicants are proposing to revoke a portion of Hickory street in order to assimilate said property into his respective adjacent commercial lots in order to expand his business.

A couple of property owners that technically touch the proposed street revocation at a point on the eastern corners are objecting to the revocation request stating that they fear that the revocation request will have a negative impact on the value of their property.

Recommendation:

The objection of the two abutting property owners notwithstanding, staff believes that the proposal is consistent relative to the Louisiana Revised Statutes governing the revocation of immovable property since the right-of-way does not appear to serve any public use or benefit, other than to the applicant. Therefore, the staff has no objections to the proposed revocation request subject to the applicant assimilating the right-of-way into the lots that he owns on both sides of same through the parish's administrative resubdivision process.
