LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	NC-4 Neighborhood Institutional District
South	Undeveloped	HC-2 Highway Commercial District
East	Undeveloped	HC-2 Highway Commercial District
West	Commercial	HC-2 Highway Commercial District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from HC-2 Highway Commercial District to HC-3 Highway Commercial District. This site is located on the southeast corner of LA Highway 36 & Camellia Drive, being Lot 3, Lions Gate Subdivision. The 2025 future land use plan calls for the area to be developed with commercial uses. Staff feels that there is no compelling reason to recommend approval of the request considering that the HC-3 zoning district could create an increase in the intensity of the commercial uses in the area.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-3 Highway Commercial District designation be denied.
