No Bond shall be entitled to any right or benefit under this Bond Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond a certificate of registration, substantially in the form provided in this Bond Ordinance, executed by the Paying Agent by manual signature.

The Issuer does hereby find that substantial benefits will occur by satisfying the Reserve Fund Requirement with respect to the Bonds through the purchase of the Reserve Fund Alternative Investment.

SECTION 3. [Redemption of Bonds.] Those Bonds maturing December 1, 2029 and thereafter, will be callable for redemption by the Issuer in full, or in part, at any time on or after December 1, 2028, and if less than a full maturity, then by lot within such maturity, at the principal amount thereof and accrued interest to the date fixed for redemption. In the event any Bond to be redeemed is of a denomination larger than Five Thousand Dollars (\$5,000), a portion of such Bond (\$5,000 or any multiple thereof) may be redeemed. Official notice of such call of any of the Bonds for redemption will be given by first class mail, postage prepaid, by notice deposited in the United States mails, or by accepted means of electronic communication, not less than thirty (30) days prior to the redemption date addressed to the registered owner of each bond to be redeemed at his address as shown on the registration books of the Paying Agent.]

[Redemption of Bonds. The Bonds are not callable for redemption prior to their stated maturity dates.]

SECTION 4. Registration, Transfer and Exchange of Bonds. The Issuer shall cause the Bond Register to be kept at the principal office of the Paying Agent. The Bonds may be transferred, registered and assigned only on the Bond Register, and such registration shall be at the expense of the Issuer. A Bond may be assigned by the execution of an assignment form on the Bonds or by other instruments of transfer and assignment acceptable to the Paying Agent. A new Bond or Bonds will be delivered by the Paying Agent to the last assignee (the new Owner) in exchange for such transferred and assigned Bonds after receipt of the Bonds to be transferred in proper form. Such new Bond or Bonds shall be in the denomination of \$5,000 or any integral multiple thereof within a single maturity. Neither the Issuer nor

the Paying Agent shall be required to issue, register the transfer of, or exchange (i) any Bond during a period beginning at the opening of business on a Record Date and ending at the close of business on the Interest Payment Date, or (ii) any Bond called for redemption prior to maturity, during a period beginning at the opening of business fifteen (15) days before the date of mailing of a notice of redemption of such Bond and ending on the date of such redemption.

SECTION 5. Book Entry Registration of Bonds. The Bonds shall be initially issued in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), as registered owner of the Bonds, and held in the custody of DTC. The Secretary of the Issuer or any other officer of the Issuer is authorized to execute and deliver a Letter of Representation to DTC on behalf of the Issuer with respect to the issuance of the Bonds in "book-entry only" format. The terms and provisions of said Letter of Representation shall govern in the event of any inconsistency between the provisions of this Bond Resolution and said Letter of Representation. Initially, a single certificate will be issued and delivered to DTC for each maturity of the Bonds. The Beneficial Owners will not receive physical delivery of Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Bond acquired. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Bonds is to receive, hold or deliver any Bond certificate.

Notwithstanding anything to the contrary herein, while the Bonds are issued in book-entry-only form, the payment of principal of, premium, if any, and interest on the Bonds may be payable by the Paying Agent by wire transfer to DTC in accordance with the Letter of Representation.

For every transfer and exchange of the Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

Bond certificates are required to be delivered to and registered in the name of the Beneficial Owner under the following circumstances:

- (a) DTC determines to discontinue providing its service with respect to the Bonds. Such a determination may be made at any time by giving 30 days' notice to the Issuer and the Paying Agent and discharging its responsibilities with respect thereto under applicable law; or
- b) The Issuer determines that continuation of the system of book-entry transfer through DTC (or a successor securities depository) is not in the best interests of the Issuer and/or the Beneficial Owners.

The Issuer and the Paying Agent will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

Neither the Issuer or the Paying Agent are responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy *in lieu* of consent.

Whenever during the term of the Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Bond Resolution of holding, delivering or transferring the Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

If at any time DTC ceases to hold the Bonds, all references herein to DTC shall be of no further force or effect.

SECTION 6. Form of Bonds. The Bonds and the endorsements to appear thereon shall be in substantially the following forms, respectively, to-wit:

* * * * *

NO. R-_____

PRINCIPAL AMOUNT \$_____

Unless this Bond is presented by an authorized representative of the Depository Trust Company, a New York corporation ("DTC"), to the Issuer or their agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of CEDE & CO. or in such other name as is requested by an authorized representative of DTC (and any payment is made to CEDE & CO. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, CEDE & CO., has an interest herein.

As provided in the Bond Ordinance referred to herein, until the termination of the system of book-entry-only transfers through DTC and notwithstanding any other provision of the Bond Ordinance to the contrary, this Bond may be transferred, in whole but not in part, only to a nominee of DTC, or by a nominee of DTC to DTC or a nominee of DTC, or by DTC or a nominee of DTC to any successor securities depository or any nominee thereof.

SECTION 7. Execution of Bonds. The Bonds shall be signed by the Executive Officers for, on behalf of, in the name of the Issuer and under the corporate seal of the Issuer, which signatures and seal may be either manual or facsimile.

SECTION 8. Recital of Regularity. This Governing Authority, having investigated the regularity of the proceedings had in connection with this issue of Bonds, and having determined the same to be regular, the Bonds shall contain the following recital, to-wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of this State."

SECTION 9. Pledge of Net Revenues of the Tax. The Bonds shall be secured by and payable, equally with the Outstanding Parity Bonds, in principal and interest solely from an irrevocable pledge and dedication of the Net Revenues of the Tax. The Net Revenues of the Tax are hereby irrevocably and irrepealably pledged and dedicated in an amount sufficient for the payment of the Bonds and the Outstanding Parity Bonds in principal and interest and redemption premium, if any, as they shall respectively become due and payable, and for the other purposes hereinafter set forth in this Bond Ordinance. In compliance with the Tax Ordinance, all of the Net Revenues of the Tax shall continue to be set aside in a separate fund, as provided in the Outstanding Parity Bond Ordinance and as herein provided and shall be and remain pledged for the security and payment of the Bonds and the Outstanding Parity Bonds in principal and interest and for all other payments provided for in this Bond Ordinance until the Bonds and the Outstanding Parity Bonds shall have been fully paid and discharged.

SECTION 10. Outstanding Parity Bonds. The Issuer recognizes the Owners of the Outstanding Parity Bonds have certain contractual rights with respect to the Net Revenues of the Tax by virtue of the provisions of the Outstanding Parity Bond Ordinance, authorizing the issuance of the Outstanding Parity Bonds. Nothing in this Bond Ordinance shall be construed in such a manner as to impair any rights vested in the Owners of the Outstanding Parity Bonds, and if at any time it shall be established that any of the provisions of this Bond Ordinance are in conflict with the provision of the Outstanding Parity Bond Ordinance authorizing the Outstanding Parity Bonds in such manner as to impair any contractual

rights vested in the Owners thereof, the provisions of the Outstanding Parity Bond Ordinance shall be controlling as to such conflicts as long as the Outstanding Parity Bonds are outstanding.

SECTION 11. Flow of Funds. In order that the principal of and the interest on the Bonds and the Outstanding Parity Bonds will be paid in accordance with their terms and for the other objects and purposes hereinafter provided, the Issuer covenants as follows:

All of the avails or proceeds derived from the levy and collection of the Tax shall continue to be deposited daily as the same may be collected in a separate and special bank account maintained with the regularly designated fiscal agent of the Issuer and designated as the "1987 Sales Tax Fund" (the "Sales Tax Fund"). The Sales Tax Fund shall constitute a dedicated fund of the Issuer, from which appropriations and expenditures by the Issuer shall be made solely for the purposes designated in the propositions authorizing the levy of the Tax. Out of the funds on deposit in the Sales Tax Fund, the Issuer shall first pay all reasonable and necessary costs and expenses of collection and administration of the Tax. After payment of such costs and expenses, then the remaining moneys in the Sales Tax Fund shall be administered and used in the following order of priority and for the following express purposes:

- (a) The maintenance of the "1987 Sales Tax Bond Sinking Fund" (the "Sinking Fund"), with the regularly designated fiscal agent of the Issuer, sufficient in amount to pay promptly and fully the principal of and the interest on the Bonds, the Outstanding Parity Bonds and any Additional Parity Bonds, as they severally become due and payable, by transferring from the Sales Tax Fund to the regularly designated fiscal agent of the Issuer, monthly in advance on or before the 20th day of each month of each year, a sum equal to one-sixth (1/6) of the interest falling due on the next Interest Payment Date and one-twelfth (1/12) of the principal falling due on the next principal payment date, together with such additional proportionate sum as may be required to pay said principal and interest as the same respectively become due. Said fiscal agent shall transfer from the Sinking Fund to the paying agent bank or banks for all bonds payable from the Sinking Fund, at least five (5) days in advance of the date on which payment of principal or interest falls due, immediately available funds fully sufficient to pay promptly the principal and interest so falling due on such date. Each such paying agent, including the Paying Agent, shall receive such funds in a debt service fund in the name of the Issuer hereby established, to be named the "Sales Tax Bond Debt Service Fund" (the "Debt Service Fund"), to be held separate and apart from other funds of said paying agent, for the purpose of paying principal of and interest on the relevant bonds payable from the Sinking Fund until the time of payment.
- (b) The maintenance of the "1987 Sales Tax Bond Reserve Fund" (the "Reserve Fund"), with the Paying Agent or the regularly designated fiscal agent of the Issuer. On the date of issuance of the Bonds, the Issuer shall deposit into the Reserve Fund cash or a Reserve Fund Alternative Investment in an amount that, when combined with any other cash or Reserve Fund Alternative Investments then in the Reserve Fund will equal the Reserve Fund Requirement. Moneys in the Reserve Fund shall be used solely for transfer to the Debt Service Fund in amounts required to prevent any default in the payment of the principal of and interest on the Bonds, the Outstanding Parity Bonds and any Additional Parity Bonds and, at the option of the Issuer, for payment of the final principal and interest requirements of the Bonds.

Whenever the amount in the Reserve Fund, together with the amount in the Sinking Fund, is sufficient to pay in full all Outstanding Bonds, Outstanding Parity Bonds and any Additional Parity Bonds, in accordance with their terms (including principal or applicable premium and interest thereon), the funds on deposit in the Reserve Fund shall be transferred to the Sinking Fund and shall be available to pay all Outstanding Bonds, Outstanding Parity Bonds and any Additional Parity Bonds in accordance with their terms (including principal or

applicable premium and interest thereon). Prior to said transfer, all investments held in the Reserve Fund shall be liquidated to the extent necessary in order to provide for the timely payment of principal and interest (or redemption premium) on the Bonds, the Outstanding Parity Bonds and any Additional Parity Bonds.

In lieu of the required transfers to the Reserve Fund or to provide for the removal of all or a portion of the amounts on deposit in the Reserve Fund, the Issuer may cause to be deposited into the Reserve Fund a Reserve Fund Alternative Investment in an amount equal to (i) the difference between the Reserve Fund Requirement and the sums then on deposit in the Reserve Fund, if any or (ii) the Reserve Fund Requirement. The Reserve Fund Alternative Investment shall be payable (upon the giving of notice as required thereunder) on any due date on which moneys will be required to be withdrawn from the Reserve Fund and applied to the payment of principal of or interest on any Bonds, Outstanding Parity Bonds or Additional Parity Bonds, when such withdrawal cannot be met by amounts on deposit in the Sinking Fund or the Reserve Fund or provided from any other fund or account under this Bond Ordinance. It is expressly provided that any Reserve Fund Alternative Investment deposited in or credited to the Reserve Fund pursuant to this paragraph shall, at the time of such deposit or credit, carry a rating from at least one (1) rating agency, or if such Reserve Fund Alternative Investment is not itself rated, the Reserve Insurer providing such Reserve Fund Alternative Investment shall be so rated.

To the extent the Reserve Fund is funded in part with a Reserve Fund Alternative Investment, the Paying Agent must make claims pro rata (in the proportion which the maximum amount available under each such Reserve Fund Alternative Investment bears to the total Reserve Fund Requirement) against all such Reserve Fund Alternative Investment on deposit in the Reserve Fund.

In the event of the refunding of any Bonds, Outstanding Parity Bonds or Additional Parity Bonds, the Issuer may withdraw from the Reserve Fund all, or any portion of, the amounts accumulated therein with respect to the bonds being refunded and deposit such amounts to be held for the payment of the principal or redemption premium, if applicable and interest on the bonds being refunded; provided that such withdrawal shall not be made unless (i) immediately thereafter the bonds being refunded shall be deemed to have been paid pursuant to Section 23 hereof, and (ii) the amount remaining in the Reserve Fund, after giving effect to the issuance of the refunding bonds and the disposition of the proceeds thereof, shall not be less than the Reserve Fund Requirement.

In the event that Additional Parity Bonds are issued hereafter in the manner provided by this Bond Ordinance, there shall be immediately transferred from the proceeds of such Additional Parity Bonds and/or from the Sales Tax Fund into the Reserve Fund such amount (as may be designated in the ordinance authorizing the issuance of such Additional Parity Bonds) as will increase the total amount on deposit in the Reserve Fund to a sum equal to the Reserve Fund Requirement for all outstanding bonds payable from the Sinking Fund and any such Additional Parity Bonds; provided, however, that in the event of the issuance of Additional Parity Bonds, the Reserve Fund Requirement may be satisfied by cash or Reserve Fund Alternative Investment, or any combination thereof (provided, however, while the Bonds or the Outstanding Parity Bonds are Outstanding, any such Reserve Fund Alternative Investment shall be subject to the prior written consent of each Reserve Insurer, in any).

- (c) All or any part of the moneys in the Sales Tax Fund, the Sinking Fund or the Reserve Fund shall at the written request of the Governing Authority be invested in Qualified Investments maturing in five (5) years or less, in which event all income derived from such investments shall be added to the Sales Tax Fund, with the exception that any interest earnings from invested funds of the Reserve Fund shall be retained therein until an amount equal to the Reserve Fund Requirement is on deposit therein, and such investments shall, to the extent at any time

necessary, be liquidated and the proceeds thereof applied to the purposes for which the Sales Tax Fund has been created. Any moneys held in the Sales Tax Fund, the Sinking Fund, the Debt Service Fund or the Reserve Fund not otherwise invested shall be collateralized by the financial institution(s) holding such Funds in accordance with the laws of the State.

- (d) Any moneys remaining in the Sales Tax Fund on the 20th day of each month in excess of all reasonable and necessary expenses of collection and administration of the Tax and after making the required payments into the Sinking Fund and Reserve Fund for the current month and for prior months during which the required payments may not have been made (including any amounts owed a Reserve Insurer), shall be considered as surplus. Such surplus may be used by the Issuer for any of the purposes for which the Tax is authorized, including any payments pursuant to any Intergovernmental Agreement lawfully entered into by the Issuer and one or more municipalities in St. Tammany Parish, or for the purpose of retiring bonds payable from the Sinking Fund in advance of their maturities, either by purchase (at prices not greater than the then redemption prices of said bonds) or by redemption.

SECTION 12. Withdrawals from Reserve Fund. (a) If at any time it shall be necessary to use moneys in the Reserve Fund or to draw upon any Reserve Fund Alternative Investment for the purpose of paying principal or interest on bonds payable from the Sinking Fund as to which there would otherwise be default, then the moneys so used or drawn upon shall be replaced or reimbursed from the Net Revenues of the Tax first thereafter received, not hereinabove required for payments into the Sinking Fund, it being the intention hereof that there shall as nearly as possible be at all times in the Reserve Fund the Reserve Fund Requirement. The obligation of the Issuer to reimburse any Reserve Insurer shall enjoy the same priority as the obligation to replenish the Reserve Fund cash or investments.

(b) If on the third Business Day prior to any Interest Payment Date the Paying Agent shall not have received moneys sufficient to pay the principal and interest on the Bonds, the Outstanding Parity Bonds and any Additional Parity Bonds due on such Interest Payment Date, and shall have ascertained that the Issuer will be unable to provide such funds to the Paying Agent, then on or before 1:00 p.m. New York Time on such third Business Day the Paying Agent shall provide notice to each Reserve Insurer, and make a claim for payment on each Reserve Fund Alternative Investment in accordance with the terms of each Reserve Fund Alternative Investment.

(c) If and to the extent that cash has also been deposited in the Reserve Fund, all such cash shall be used (or investments purchased with such cash shall be liquidated and the proceeds applied as required) prior to any drawing under any Reserve Fund Alternative Investment.

(d) To the extent that proceeds of a payment under any Reserve Fund Alternative Investment are applied to the payment of principal or interest on the Bonds, the Outstanding Parity Bonds or any Additional Parity Bonds, such Reserve Insurer shall be deemed to be the Owner of such portion of the bonds and the right to receive payment of such principal or interest, and shall be fully subrogated to all of the Owner's rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims for interest, the Paying Agent shall note the relative Reserve Insurer's rights as subrogee on the registration books maintained by the Paying Agent, and (ii) in the case of subrogation as to claims for principal, the Paying Agent shall note the relative Reserve Insurer's rights as subrogee on the registration books maintained by the Paying Agent upon surrender of the certificate representing such principal by the Owner thereof to the Paying Agent.

SECTION 13. Issuer Obligated to Continue to Collect Tax. The Issuer does hereby obligate itself and is bound under the terms and provisions of law to levy, impose, enforce and collect the Tax and to provide for all reasonable and necessary rules, regulations, procedures and penalties in connection therewith, including the proper application of the proceeds of the Tax, until all of the Bonds and the Outstanding Parity Bonds have been retired as to both principal and interest and all obligations to the provider of any Reserve Insurer have been paid. Nothing herein contained shall be construed to prevent the Issuer from altering, amending or repealing from time to time as may be necessary this Bond Ordinance or any subsequent Bond Ordinance providing with respect to the Tax, said alterations,

amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners and the provider of each Reserve Insurer with respect to the Net Revenues of the Tax. The Tax Ordinance imposing the Tax and pursuant to which the Tax is being levied, collected and allocated, and the obligations to continue to levy, collect and allocate the Tax and to apply the revenues therefrom in accordance with the provisions of this Bond Ordinance, shall be irrevocable for the full period of its authorization until the Bonds and the Outstanding Parity Bonds have been paid in full as to principal, premium, if any, and interest, and shall not be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon. More specifically, neither the Legislature of Louisiana nor the Issuer may discontinue or decrease the Tax or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, or in any way make any change which would diminish the amount of the Net Revenues of the Tax pledged to the payment of the Bonds and received by the Issuer, until all of such Bonds and the Outstanding Parity Bonds shall have been retired as to both principal and interest and all amounts payable hereunder have been paid.

The Owners of any of the Bonds may, either at law or in equity, by suit, action, mandamus or other proceeding, enforce and compel performance of all duties required to be performed as a result of issuing the Bonds and may similarly enforce the provisions of any ordinance imposing the Tax and the Bond Ordinance and proceedings authorizing the issuance of the Bonds.

SECTION 14. Covenants of the Issuer. In providing for the issuance of the Bonds, the Issuer does hereby covenant that it has a legal right to levy and collect the Tax, to issue the Bonds and to pledge the Net Revenues of the Tax as herein provided, and that the Bonds will have a lien and privilege on the Net Revenues of the Tax subject only to the prior payment of the reasonable and necessary costs and expenses of administering and collecting the Tax.

The Issuer covenants that, to the extent there are no other available funds held under this Bond Ordinance to pay principal and interest on the Bonds in the event of a payment default, it will apply any remaining surplus Bond proceeds (not otherwise contractually encumbered) to the payment of such defaulted principal and interest.

SECTION 15. Bond Ordinance a Contract. The provisions of this Bond Ordinance shall constitute a contract between the Issuer and the Owner or Owners from time to time of the Bonds, and any Owner of any of the Bonds may either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by the Issuer as a result of issuing the Bonds, and may similarly enforce the provisions of the Tax Ordinance imposing the Tax and this Bond Ordinance.

SECTION 16. Records and Accounts Relating to Tax. So long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall maintain and keep proper books of records and accounts separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions relating to the collection and expenditure of the Revenues of the Tax, including specifically but without limitation, all reasonable and necessary costs and expenses of collection.

Not later than six (6) months after the close of each Fiscal Year, or on such later date as may be allowed by the laws, rules or regulations of the State, the Issuer shall cause an audit of such books and accounts to be made by the Legislative Auditor of the State of Louisiana (or his successor) or by a recognized independent firm of certified public accountants showing the receipts of and disbursements made for the account of the Sales Tax Fund. Such audit shall be available for inspection upon request by the Owners of any of the Bonds. The Issuer further agrees that the Paying Agent and the Owners of any of the Bonds shall have at all reasonable times the right to inspect the records, accounts and data of the Issuer relating to the Tax.

SECTION 17. Issuance of Refunding and Additional Parity Bonds. All of the Bonds and the Outstanding Parity Bonds shall enjoy complete parity of lien on the Net Revenues of the Tax despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer, acting through its governing authority, hereby covenants that it will issue no other bonds or obligations

having priority over or parity with the Bonds with respect to the Net Revenues of the Tax, except that bonds may hereafter be issued on a parity with the Bonds under the following conditions:

(a) The Bonds and the Outstanding Parity Bonds, or any part thereof, including interest and redemption premiums thereon, may be refunded and the refunding bonds so issued shall enjoy complete equality of lien with the portion of the Bonds and the Outstanding Parity Bonds which is not refunded, if there be any; provided, however, that if only a portion of the Bonds Outstanding is so refunded and if the refunding bonds require principal and interest payments during any Bond Year (ending June 1) in excess of the principal and interest which would have been required in such Bond Year to pay the bonds refunded thereby, then such bonds may not be refunded without the consent of the Owners of the unrefunded portion of the Bonds and the Outstanding Parity Bonds (provided such consent shall not be required if such refunding bonds meet the requirements set forth in clause (b) below).

(b) Additional parity bonds may also be issued, and such additional parity bonds shall be on a parity with the Bonds and the Outstanding Parity Bonds if all of the following conditions are met:

(i) The average annual revenues derived by the Issuer from the Tax when computed for the last two (2) completed calendar years immediately preceding the issuance of the Additional Parity Bonds must have been not less than 2.00 times the highest combined principal and interest requirements for any succeeding calendar year on all Bonds and Outstanding Parity Bonds then outstanding, including any Additional Parity Bonds theretofore issued and then outstanding, and any other bonds or other obligations whatsoever then outstanding which are payable from the Net Revenues of the Tax (but not including bonds which have been refunded or provision otherwise made for their full and complete payment and redemption) and the bonds so proposed to be issued;

(ii) The payments to be made into the various funds provided for in Section 11 hereof must be current;

(iii) The existence of the facts required by paragraphs (i) and (ii) above must be confirmed by the Chief Financial Officer of the Parish, or its successor, or by an independent certified public accountant;

(iv) The additional parity bonds must be payable as to principal on June 1st of each year in which principal falls due, beginning not later than three (3) years after the date of such bonds, and payable as to interest on June 1 and December 1 of each year; and

(v) No additional parity bonds may be issued should any event of default under the Bond Ordinance have occurred and be continuing.

SECTION 18. Remedies on Default. If one or more of the following events (in this Bond Ordinance called "Events of Default") shall happen, that is to say,

(i) if default shall be made in the due and punctual payment of the principal of any Bond when and as the same shall become due and payable, whether at maturity or otherwise (in determining whether a principal payment default has occurred, no effect shall be given to payments made under any municipal bond insurance policy); or

(ii) if default shall be made in the due and punctual payment of any installment of interest on any Bond when and as such interest installment shall become due and payable (in determining whether an interest payment default has occurred, no effect shall be given to payments made under any municipal bond insurance policy); or

(iii) if default shall be made by the Issuer in the performance or observance of any other of the covenants, agreements or conditions on its part in the Bond Ordinance, any supplemental ordinance or in the Bonds, and such default shall continue for a period of forty-five (45) days after written notice thereof to the Issuer by the Insurer, if any, or the Owners of not less than 25% of the Bond Obligation;
or

(iv) if the Issuer shall file a petition or otherwise seek relief under any Federal or State bankruptcy law or similar law;

then, upon the happening and continuance of any Event of Default the Insurer, if any, and the Owners of the Bonds shall be entitled to exercise all rights and powers for which provision is made under Louisiana law; provided, however, that the exercise of remedies at the direction of the Owners is subject to the prior written consent of the Insurer, if any, and the Insurer, if any, acting alone, shall have the exclusive right to direct any action or remedy to be undertaken so long as it is not then in default of its payment obligations under any applicable municipal bond insurance policy. Under no circumstances may the principal or interest of any of the Bonds be accelerated. The Issuer shall notify the Insurer, if any, immediately upon the occurrence of any Event of Default. No Event of Default shall be waived without the consent of the Insurer, if any. All remedies shall be cumulative with respect to the Paying Agent, the Owners and the Insurer, if any; if any remedial action is discontinued or abandoned, the Paying Agent, the Owners and the Insurer, if any, shall be restored to the former positions.

The Paying Agent or Issuer shall provide the Insurer, if any, with immediate notice of any payment default, and notice of any other default known to the Paying Agent within thirty (30) days of the Paying Agent's or Issuer's knowledge thereof.

SECTION 19. Fidelity Bonds for Officers and Employees. So long as any of the Bonds are outstanding and unpaid, the Issuer shall require all of its officers and employees who may be in a position of authority or in possession of money derived from the collection of the Tax, to obtain or be covered by a blanket fidelity or faithful performance bond, or independent fidelity bonds written by a responsible indemnity company in amounts adequate to protect the Issuer from loss.

SECTION 20. Amendments to Bond Ordinance; Consent of Insurer, if any. No material modification or amendment of this Bond Ordinance, or of any Bond Ordinance amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of two-thirds (2/3) of the aggregate principal amount of the Bonds then outstanding; provided, however, that no such modification or amendment shall permit a change in the maturity of the Bonds or the redemption provisions thereof, or a reduction in the rate of interest thereon, or the promise of the Issuer to pay the principal of and the interest on the Bonds as the same shall come due from the Revenues of the Tax, or reduce the percentage of owners required to consent to any material modification or amendment of this Bond Ordinance, without the consent of all of the Owner or Owners of the Bonds. Any amendment or supplement to the Bond Ordinance shall be subject to the prior written consent of the Insurer, if any. Any rating agency rating the Bonds must receive notice of each amendment and a copy thereof at least 15 days in advance of its execution or adoption. The Insurer, if any, shall be provided with a full transcript of all proceedings relating to the execution of any such amendment or supplement.

SECTION 21. Mutilated, Destroyed, Lost or Stolen Bonds. If (a) any mutilated Bond is surrendered to the Paying Agent, or the Issuer and the Paying Agent receive evidence to their satisfaction of the destruction, loss, or theft of any Bond, and (b) there is delivered to the Issuer and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and upon its request the Paying Agent shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same maturity and of like tenor and principal amount, bearing a number not contemporaneously outstanding. In case any such mutilated, destroyed, lost, or stolen Bond has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Bond, pay such Bond. Upon the issuance of any new Bond under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith. Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Bond Ordinance equally and ratably with all other Outstanding Bonds. The procedures set forth in the Agreement authorized in this Bond Ordinance shall also be available with respect to mutilated, destroyed, lost or stolen Bonds. The provisions of this Section are exclusive and shall preclude (to the

extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 22. Discharge of Bond Ordinance. If the Issuer shall pay or cause to be paid, or there shall be paid to the Owners, the principal (and redemption price) of and interest on the Bonds, at the times and in the manner stipulated in this Bond Ordinance, then the pledge of the Tax or any other money, securities, and funds pledged under this Bond Ordinance and all covenants, agreements, and other obligations of the Issuer to the Owners of Bonds shall thereupon cease, terminate, and become void and be discharged and satisfied, and the Paying Agent shall pay over or deliver all money held by it under this Bond Ordinance to the Issuer.

SECTION 23. Defeasance. If the Issuer shall pay or cause to be paid to the Owners of all Bonds then outstanding, the principal and interest to become due thereon, at the times and in the manner stipulated therein and in the Bond Ordinance, then the covenants, agreements and other obligations of the Issuer to the Owners shall be discharged and satisfied. In such event, the Paying Agent shall, upon the request of the Issuer, execute and deliver to the Issuer all such instruments as may be desirable to evidence such discharge and satisfaction and the Paying Agent shall pay over or deliver to the Issuer all moneys, securities and funds held by them pursuant to the Bond Ordinance which are not required for the payment of Bonds not theretofore surrendered for such payment.

Bonds or interest installments for the payment of which money shall have been set aside and shall be held in trust (through deposit by the Issuer of funds for such payment or otherwise) at the maturity date thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section. Bonds shall be deemed to have been paid, prior to their maturity, within the meaning and with the effect expressed above in this Section if they have been defeased pursuant to the laws of the State of Louisiana.

SECTION 24. Successor Paying Agent; Paying Agent Agreement; Notice to Insurer, if any. The Issuer will at all times maintain a Paying Agent meeting the qualifications hereinafter described for the performance of the duties hereunder for the Bonds. The designation of the initial Paying Agent in this Bond Ordinance is hereby confirmed and approved. The Issuer reserves the right to appoint a successor Paying Agent by (a) filing with the Person then performing such function a certified copy of a Bond Ordinance giving notice of the termination of the Agreement and appointing a successor and (b) causing notice to be given to each Owner. Every Paying Agent appointed hereunder shall at all times be a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers, and subject to supervision or examination by Federal or State authority. The Executive Officers are hereby authorized and directed to execute an appropriate Agreement with the Paying Agent for and on behalf of the Issuer in such form as may be satisfactory to said officers, the signatures of said officers on such Agreement to be conclusive evidence of the due exercise of the authority granted hereunder. No resignation or removal of the Paying Agent shall become effective until a successor has been appointed and has accepted the duties of Paying Agent. The Insurer, if any, shall be furnished with written notice of the resignation or removal of the Paying Agent and the appointment of any successor thereto.

SECTION 25. Effect of Registration. The Issuer, the Paying Agent, and any agent of either of them may treat the Owner in whose name any Bond is registered as the Owner of such Bond for the purpose of receiving payment of the principal (and redemption price) of and interest on such Bond and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either of them shall be affected by notice to the contrary.

SECTION 26. Notices to Owners. Wherever this Bond Ordinance provides for notice to Owners of Bonds of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Owner of such Bonds, at the address of such Owner as it appears in the Bond Register. In any case where notice to Owners of Bonds is given by mail, neither the failure to mail such notice to any particular Owner of Bonds, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Bond Ordinance provides for notice in any manner, such notice may be waived in writing by the Owner entitled to receive such notice, either before or after the event, and such waiver shall be the

equivalent of such notice. Waivers of notice by Owners shall be filed with the Paying Agent, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 27. Cancellation of Bonds. All Bonds surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly cancelled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already cancelled, shall be promptly cancelled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Bonds previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent. All cancelled Bonds held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 28. Preparation of Bonds; Deposit of Bond Proceeds. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out all of the provisions of this Bond Ordinance, to cause the necessary Bonds to be printed or lithographed, to issue, execute, seal and deliver the Bonds, to effect the delivery of the Bonds in accordance with the sale thereof, to collect the purchase price therefor, and to deposit the funds derived from the sale of the Bonds (except accrued interest, which shall be deposited in the Sinking Fund and proceeds of the Bonds, if any, to be deposited in the Reserve Fund in accordance with the provisions of Section 11 hereof) in a special account pursuant to the Escrow Agreement. The proceeds derived from the sale of the Bonds shall constitute a trust fund to be used exclusively for the purposes for which the Bonds are herein authorized to be issued, but the Underwriter of the Bonds shall not be obliged to see to the application thereof.

SECTION 29. Arbitrage. The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Code in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds."

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section.

SECTION 30. Bonds are not "Qualified Tax-Exempt Obligations". The Bonds are not designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

SECTION 31. Publication. A copy of this Bond Ordinance shall be published immediately after its adoption in one issue of the official journal of the Issuer.

SECTION 32. Disclosure Under SEC Rule 15c2-12. The Executive Officers are hereby empowered and directed to execute an appropriate Continuing Disclosure Certificate (substantially in the form set forth in Appendix ___ of the official statement issued in connection with the sale and issuance of the Bonds) pursuant to S.E.C. Rule 15c2-12(b)(5).

SECTION 33. Section Headings. The headings of the various sections hereof are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

SECTION 34. Severability. In case any one or more of the provisions of this Bond Ordinance or of the Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Bond Ordinance or of the Bonds, but this Bond Ordinance and the Bonds shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provision enacted after the date of this Bond

Ordinance which validates or makes legal any provision of this Bond Ordinance and/or the Bonds which would not otherwise be valid or legal, shall be deemed to apply to this Bond Ordinance and to the Bonds.

SECTION 35. Post-Issuance Compliance.
