LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4 Single-Family Residential District
South	Commercial	I-2 Industrial District
East	Residential	A-4 Single-Family Residential District and HC-2 Highway Commercial District
West	Residential	A-4 Single-Family Residential District and HC-2 Highway Commercial District

EXISTING LAND USE:

Existing development: No **Multi occupancy development:** Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from HC-2 Highway Commercial District to A-4A Single-Family Residential District. This site is located on the north side of US Highway 190 East, on the east side of Panther Street & on the west side of Northshore Lane, being lots 12 to 25, Beverly Heights Manor, Slidell. The 2025 future land use plan calls for the area to be developed with residential uses. Staff does not have any objection to the request.

Note that the site is proposed to be developed with single family residences.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-4A Single-Family Residential District designation be approved.
