LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential and Civic	A-4A Single Family Residential District and <i>R-1 Single Family Residence (Pearl River)</i>
South	Residential	A-4A Single Family Residential District
East	Residential	A-4A Single Family Residential District
West	Residential	A-4A Single Family Residential District

EXISTING LAND USE:

Existing development: Yes **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-4A Single-Family Residential District to A-4A Single-Family Residential District and MHO Manufactured Housing Overlay. This site is located on the south side of James Crosby Road, east of US Highway 11, being 38438 James Crosby Road, Pearl River. The 2025 future land use plan designates this site to be developed with residential uses that vary in site design and density, including manufactured homes. Staff does not have any objection to the request.

STAFF RECOMMENDATION:

Staff recommends that the request for the A-4A Single-Family Residential District and MHO Manufactured Housing Overlay designation be approved.
