LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential and Undeveloped	A-5 Two-Family Residential District
South	Residential	A-1A Suburban District
East	Residential and Undeveloped	A-1A Suburban District
West	Commercial and Industrial	HC-2 Highway Commercial District

EXISTING LAND USE:

Existing development: No **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, e.g.) uses, as well as the supporting infrastructure and public services they will require (See “Small Area Plans,” below). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Mixed Use – Other – Conservation – These planned districts would include mixed uses – at varying densities - and conservation areas, following a Small Area Plan, and providing for balance, compatibility and integration of uses and all supporting infrastructure.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-5 Two Family Residential District and MD-1 Medical Residential District to A-5 Two Family Residential District. This site is located on the south side of Hickory Street, east of US Highway 190 Service Road, being 162 Hickory St., Covington. The 2025 future land use plan calls for the area to be developed with planned districts with mixed uses at varying densities and conservation areas. Staff does not have any objection to the requested A-5 Suburban District considering the site is surrounded by a variety of residential zoning districts and the requested zoning change would correct what is currently a split zoned lot.

STAFF RECOMMENDATION:

The staff recommends that the request for a A-5 Two Family Residential District designation be approved.
