LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Civic	PF-1 Public Facilities
South	Residential, Commercial, and Undeveloped	A-4 Single-Family District
East	Undeveloped	A-2 Suburban District
West	Undeveloped	A-1 Suburban District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 Suburban District to A-4 Single-Family Residential District. The site is located on the east side of Berry Todd Road, east of LA Highway 434, Lacombe. The 2025 future land use plan designates the site to be developed with residential uses of varying site design and density. Staff does not see any compelling reason to recommend approval of the request considering the site is flanked by existing A-2 Suburban Residential zoning designations to the east and south of the petitioned property.

STAFF RECOMMENDATION:

Staff recommends that the request for the A-4 Single-Family Residential District designation be denied.
