GENERAL INFORMATION

PETITIONER: Steve Hudson
OWNER: William and Shari Karanas
REQUESTED CHANGE: From NC-4 Neighborhood Institutional District and A-4 Single-Family Residential District to PF-1 Public Facilities District
LOCATION: Parcel located on the south side of LA Highway 1088, west of Forest Brook Boulevard, Mandeville; S5, T8S, R12E; Ward 4, District 7
SIZE: 6.25 acres

LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

| <u>Direction</u> | <u>Surrounding Use</u> | <u>Surrounding Zone</u> |
|------------------|-----------------------------|---|
| North | Commercial and Civic | NC-4 Neighborhood Institutional District |
| South | Residential | A-4 Single-Family Residential District |
| East | Residential and Undeveloped | NC-4 Neighborhood Institutional District and A-4 Single-Family Residential District |
| West | Commercial | NC-4 Neighborhood Institutional District and PUD Planned Unit Development Overlay |

EXISTING LAND USE:

Existing development: Yes **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from NC-4 Neighborhood Institutional District and A-4 Single-Family Residential District to PF-1 Public Facilities District. This site is located on the south side of LA Highway 1088, west of Forest Brook Boulevard, being 23098 Hwy 1088, Mandeville. The 2025 future land use plan calls for the area to be developed with residential uses that vary in site design and density. The petitioned property is located along Highway 1088 which currently maintains a mix of commercial, institutional, and residential uses. Staff has no objection to the requested PF-1 District as its purpose is to provide for the location of governmental and institutional uses to the public, in the surrounding area.

Note that this site is proposed to be developed with a religious facility.

STAFF RECOMMENDATION:

Staff recommends that the request for a PF-1 Public Facilities District designation be approved.
