LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

| <u>Direction</u> | <u>Surrounding Use</u> | <u>Surrounding Zone</u> |
|------------------|-----------------------------|-------------------------|
| North | Residential | A-1 Suburban District |
| South | Residential | A-2 Suburban District |
| East | Residential and Undeveloped | A-1 Suburban District |
| West | Residential and Undeveloped | A-1 Suburban District |

EXISTING LAND USE:

Existing development: Yes **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Residential/Agricultural - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-1 Suburban District to A-1 Suburban District and RO Rural Overlay. The site is located on the south side of Joiner Wymer Road, west of LA Highway 1077, and north of Interstate I-12, being 12202 Joiner Wymer Road, Covington. The 2025 future land use plan designates the site to maintain land used for timber production, recreational uses, species habitat and storm water retention. Staff does not have any objection to the request as the purpose of the RO Rural Overlay is to establish agricultural uses, encourage the maintenance of the rural countryside, and to preserve forests and other undeveloped lands.

Staff feels that the request for the RO Rural Overlay is appropriate for the character of the neighborhood and conforms to the 2025 future land use area plan.
