LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential and Undeveloped	A-2 Suburban District
South	Residential	A-2 Suburban District
East	Residential	A-2 Suburban District
West	Residential	A-2 Suburban District

EXISTING LAND USE:

Existing development: No **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-2 Suburban District to A-2 Suburban District and MHO Manufactured Housing Overlay. The site is located on the west side of Tower Lane, north of N. Pontchartrain Drive, Lacombe. The 2025 future land use plan calls for the site to be developed with residential uses that vary in site design and density, including manufactured homes.

Staff has no objection to the request as it adheres to the site’s future land use plan designation.
