LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Undeveloped	A-1 Suburban District
South	Undeveloped	A-1 Suburban District
East	Undeveloped	A-1 Suburban District
West	Undeveloped	A-1 Suburban District

EXISTING LAND USE:

Existing development? Yes

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning to MHO (Manufactured Housing Overlay). The site is located on the east side of Wilkinson Road, north of McGee Road. The 2025 Future Land Use Plan calls for the area to be developed with residential uses. There are several mobile homes in the vicinity. Staff does not object to the request for a manufacture housing overlay.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO (Manufactured Housing Overlay) designation be approved.
