LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-4 (Single Family Residential District)
South	Undeveloped	A-2 (Suburban District)
East	Church	A-2 (Suburban District)
West	Apartment	A-2 (Suburban District)

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 (Suburban District) to PF-1 (Public Facilities District). The parcel is located on the southeast corner of Harrison Avenue & Fuchsia Street. The request does not meet the objectives of the 2025 future land use plan, which calls for the area to be developed with residential uses. However, staff has no objections to the request, considering that the purpose of the PF-1 zoning district is to provide for the location of governmental and institutional uses to the public, in close proximity to residential area.

STAFF RECOMMENDATION:

The staff recommends that the request for a PF-1 (Public Facilities District) designation be approved.
