REQUESTED CHANGE: From A-2 Suburban District to A-4 Single-Family Residential District

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

Table with 3 columns: Direction, Surrounding Use, Surrounding Zone. Rows include North, South, East, and West with corresponding residential and undeveloped uses and zones like PUD Planned Unit Development District and A-2 Suburban District.

EXISTING LAND USE:

Existing development: No Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 Suburban District to A-4 Single-Family Residential District. This site is located on the north side of LA Highway 22, west of Oak Park Drive, east of Grand Oaks Drive. The 2025 future land use plan calls for the area to be developed with residential uses. Although staff is not completely opposed to the request, there is concern regarding the impact of the high density of A-4 single family residential development on the area, considering that the site is surrounded by residential homes on large parcels of land on the south, east and west sides.

Note that a zoning change to PUD Planned Unit Development Overlay has been submitted for the same site (2016-416-ZC).

STAFF RECOMMENDATION:

The staff recommends that the request for an A-4 Single-Family Residential District designation be approved.
