LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-3 Suburban District
South	Residential	A-2 Suburban District
East	Commercial	HC- Highway Commercial District
West	Residential	A-3 Suburban District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-3 Suburban District to NC-4 Neighborhood Institutional District. This site is located at the on the north side of LA Highway 22, east of Kathmann Drive, being Lot 8, Square 5, Live Oak Hills Subdivision. The 2025 future land use plan calls for the area to be developed with residential uses. Staff has no objection to the request, considering the location of the site, along Hwy 22, and that the objective of the NC-4 zoning designation is to provide services to the surrounding neighborhoods.

STAFF RECOMMENDATION:

The staff recommends that the request for a NC-4 Neighborhood Institutional District designation be approved.
