LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-1 Suburban District
South	Residential	A-1 Suburban District
East	Residential	A-1 Suburban District
West	Residential	A-1 & A-1A Suburban Districts

EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential/ Agricultural - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses – widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-1 Suburban District to A-2 Suburban District. This site is located on the east side of Section Road, north of Nelson Road. The 2025 future land use plan calls for the area to be developed with residential and agricultural uses. Although, the property is surrounded by large parcels of land zoned A-1 Suburban District, Staff is not completely opposed to the request, considering that the objectives of the zoning change is to create a 2.11 acre parcel for the residence located at 80434 Section Road and a 6.17 acre parcel located at 80438 Section Road, as shown on the attached surveys.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-2 Suburban District designation be denied.
