APPEAL # 3

THE PETITIONER OR ANY AGGRIEVED PERSON HAS TEN (10) DAYS TO APPEAL THE DECISION OF THE ZONING COMMISSION. APPEALS MUST BE FILED WITH THE ST. TAMMANY PARISH DEPARTMENT OF PLANNING. A COPY OF THE APPEAL REQUEST IS PROVIDED BELOW.

APPEAL REQUEST

DATE: 12-06-2011

CASE NUMBER: ZC 11-12-099

Opposition on behalf of Marigny Trace Subd based on projection that rezoning to A4A would open window for future rezoning of other lots in area to A4A, reducing property values.

This property is on the gateway to Marigny Trace, having larger lots with property values in \$300,000 range.

We are hereby appealing to the St. Tammany Parish Council at its next appropriate regular scheduled meeting on the above referenced matter of an adverse decision of the St. Tammany Parish Zoning Commission.

This letter shall serve as official notice to put the above referenced matter on the Parish Council agenda.

Sincerely,

PLEASE SIGN YOUR NAME, PRINT NAME BESIDE IT, MAILING ADDRESS AND PHONE NUMBER BELOW

LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Land Use</u>	<u>Zoning</u>
North	Residential	A-4 (Single-Family Residential District)
South	Residential	A-4 (Single-Family Residential District)
East	Undeveloped	A-4 (Single-Family Residential District)
West	Undeveloped	A-4 (Single-Family Residential District)

EXISTING LAND USE:

Existing development? No

Multi occupancy development? No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-4 (Single-Family Residential District) to A-4A (Single-Family Residential District), in order to add a portion of the subject site to an existing residential site and create a buildable lot with the remaining portion of the property (See attached survey). The 2025 future land use plan designates the area to be developed with residential uses at a variety of density. The area is currently developed with single family residences on a variety of lot size.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-4A (Single-Family Residential District) designation be denied.
