LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Manufactured Home	A-3 Suburban District
South	Undeveloped	A-3 Suburban District
East	Undeveloped	A-3 Suburban District
West	Undeveloped	A-3 Suburban District

EXISTING LAND USE:

Existing development: No Multi occupancy development: No

COMPREHENSIVE PLAN:

Conservation - Areas designated for uses of land, water, flora and fauna that appear naturally. Such uses may include such activities as extraction or production for commerce; human enjoyment, hunting, fishing, or other recreation within natural landscapes; or preservation of natural systems. The concept of "conservation" includes a private landowner's understanding of responsibility to wisely manage that resource so that it remains in good condition for future generations (often simple referred to as "good stewardship"); this concept may also include the conservation of energy through efficient transportation options as well as through climate responsive building design, as well as the conservation of historic, scenic, or otherwise serviceable buildings and landscapes. Means to achieve conservation are myriad and include both private and public sector initiatives – such means will be considered in subsequent phases of the New Directions 2025 planning process.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-3 Suburban District to A-3 Suburban District & MHO Manufactured Housing Overlay. This site is located on the north side of Bobby Jones Blvd, east of Trap Street, west of Green Street, being lot 12, square 42, Hillcrest Country Club Subdivision. The 2025 future land use plan calls for the area to be developed as a conservation area. Staff does not have any objection to the request, considering that the area is developed as a residential subdivision and that there are some existing mobile homes in the vicinity.

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO Manufactured Housing Overlay designation be approved.
