LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4 Single-Family Residential District
South	Commercial	HC-2 Highway Commercial District
East	Commercial	A-4 Single-Family Residential District
West	Residential	HC-2 Highway Commercial District

EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous "highway commercial" uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-4 Single-Family Residential District & HC-2 Highway Commercial District to PF-1 Public Facilities District. This site is located on the west side of Sunset Drive, north of US Highway 190, being 429 Sunset Drive, Slidell. The 2025 future land use plan calls for the site to be developed with commercial uses. There is an existing church on the site. The objective of the request is to bring the current use in compliance with the appropriate zoning and to allow for an addition to the church. Staff does not have any objection to the request, considering that the purpose of the PF-1 zoning district is to provide for the location of governmental and other institutional uses to the public. The rezoning of the property to PF-1 will also create a transition between the commercial uses located on the south side of the property, along Gause West, and the existing residential neighborhood located on the north side of the site.

STAFF RECOMMENDATION:

The staff recommends that the request for a PF-1 Public Facilities District designation be approved.
