LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Commercial	NC-5 Retail and Service District
South	Undeveloped	City of Mandeville
East	Commercial & Undeveloped	City of Mandeville
West	Commercial	NC-5 Retail and Service District

EXISTING LAND USE:

Existing development: Yes **Multi occupancy development:** Yes

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous “highway commercial” uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from NC-5 Retail and Service District to A-8 Multiple Family Residential District. This site is located on the south side of LA Highway 22, north of West Causeway Approach, east of Moore Road, west of Dalwill Drive. The 2025 future land use plan calls for the area to be developed with commercial uses. Staff does not see any compelling reason to recommend approval of the request, considering that the A-8 zoning district would create a significant increase of intensity of the uses in the area.

Note that the maximum density under the A-8 zoning district (one unit per fifteen hundred (1,500) square feet of property), would allow for the 1.9 acre site to be developed with a total of 55 units.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-8 Multiple Family Residential District designation be denied.
