LAND USE CONSIDERATIONS
SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4 Single Family Residential District
South	Vacant	NC-5 Retail and Service District
East	Commercial	City of Mandeville
West	Commercial	NC-5 Retail and Service District

EXISTING LAND USE:

Existing development: No Multi occupancy development: No

COMPREHENSIVE PLAN:

Commercial - Sales outlets for goods and services. Several levels or forms of commercial structures include: limited or specialty; neighborhood service centers; generous “highway commercial” uses; offices; public uses; planned mixed commercial and residential centers, and the traditional village or town central business district.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from NC-5 Retail and Service District to HC-2 Highway Commercial District. This site is located on the south side of LA Highway 22, west of Dalwill Drive, east of West Causeway Approach. The 2025 future land use plan calls for the area to be developed with commercial uses at several levels of intensity. Staff does not have any objection to the request considering that most of the Highway 22 Corridor is developed with a variety of retail uses.

Note that the abutting parcel, to the east, is located inside the City limits of Mandeville and zoned B-2 Highway Business District. The B-2 zoning district allows most of the same permitted uses listed under the HC-2 zoning district.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-2 Highway Commercial District designation be approved.
