Re: Parish Ordinance; Urination & Defecation in Public

Dear Marty,

Following is a proposed ordinance that I recommend for adoption at the Council's earliest convenience. I recommend proposing the following after Article VIII of Chapter 15:

**ARTICLE XVIII URINATION AND DEFECATION IN PUBLIC PROHIBITED**  
**Sec. 15-986.01**

Urination in public is the willful and intentional urination by a person in a public place, in a place not intended for such purposes, or in a place open to the public view. Whoever commits the crime of urination in public shall be guilty of a misdemeanor.

**Sec. 986.02**

Defecation in public is the willful and intentional defecation by a person in a public place, in a place not intended for such purposes, or in a place open to the public view. Whoever commits the crime of defecation in public shall be guilty of a misdemeanor.

This verbiage is based off of an ordinance from Lafayette, and seems to be more concise than ordinances I've reviewed from other jurisdictions. Please contact me if you have any questions whatsoever.

Sincerely,

Warren L. Montgomery  
District Attorney
