LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-2 Suburban District
South	Residential/Undeveloped	A-2 Suburban District
East	Residential	A-2 Suburban District
West	Undeveloped	A-2 Suburban District

EXISTING LAND USE:

Existing development: Yes Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 Suburban District to A-3 Suburban District. This site is located at the southeast intersection of Galatas Road, south of Revere Road, west of C.S. Owens Road, being 247 Galatas Road, Madisonville. The 2025 future land use plan calls for the area to be developed with single family residential uses. Staff does not recommend approval considering that the site is surrounded by A-2 Suburban District zoning.

Note that the zoning change is being requested, to allow for the accessory structure located on the site, to be renovated as single family residences.

STAFF RECOMMENDATION:

The staff recommends that the request for an A-3 Suburban District designation be denied.
