LAND USE CONSIDERATIONS

East	Undeveloped/Residential	A-2 Suburban District

EXISTING LAND USE:

Existing development: No

Multi occupancy development: No

COMPREHENSIVE PLAN:

Conservation – Areas designated for uses of land, water, flora and fauna that appear naturally. Such uses may include such activities as extraction or production for commerce; human enjoyment, hunting, fishing, or other recreation within natural landscapes; or preservation of natural systems. The concept of “conservation” includes a private landowner’s understanding of responsibility to wisely manage land resources so that they remain in good condition for future generations (often simple referred to as “good stewardship”); this concept may also include the conservation of energy through efficient transportation options as well as through climate responsive building design, as well as the conservation of historic, scenic, or otherwise serviceable buildings and landscapes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-2 Suburban District to PF-1 Public Facilities District. This site is located on the north side of Harrison Avenue, west of Flowers Drive. The 2025 future land use plan calls for the site to be developed as a conservation area and with uses that would allow for the preservation of the natural environment. The requested zoning change does not meet the objectives of the 2025 future land use plan. However, staff does not have any objection to the request, considering the location of the site, along a major arterial, and the purpose of the PF-1 zoning, which is to provide for the location of governmental and institutional uses to the public.

STAFF RECOMMENDATION:

The staff recommends that the request for a PF-1 Public Facilities District designation be approved.

RE: 2017-567

Dear Donald G. Lambert:

On April 04, 2017 the Zoning Commission, in regards to the above captioned case, recommended that the requested zoning changing from A-2 Suburban District to PF-1 Public Facilities District be approved.

Since the case was approved, it goes to the Council Meeting for adoption. The remainder of this process takes about 1 1/2 to 2 months for the change to become effective. Zoning cases typically become effective upon publication in the official Parish journal.

Should you have any questions, please call me at (985) 898-2529.
