LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-2 Suburban District
South	Residential	A-2 Suburban District
East	Residential	A-2 Suburban District
West	Undeveloped	A-3 Suburban District

EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: Yes

COMPREHENSIVE PLAN:

Residential/ Agricultural - Agricultural and related or other active or passive uses that use or preserve the countryside, forests and other areas and rural residential uses -- widely ranging in dwelling size or type, siting and organization; both of which are generally located some distance from more intense land uses. Permitted uses include single-family residential, and uses ancillary to either of these primary uses. Other uses require a change in zoning.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-3 Suburban District to A-3 Suburban District & MHO Manufactured Housing Overlay. This site is located on the east side of Rick Sorensen Road, north of Rheusaw Crawford Road. The future land use plan calls for the area to be developed with residential and agricultural uses. Staff does not have any objection to the request for a MHO. Note that the site is already surrounded by a MHO on the north, south & east sides

STAFF RECOMMENDATION:

The staff recommends that the request for a MHO Manufactured Housing Overlay designation be approved.
