EXISTING LAND USE:

Existing development: Yes

Multi occupancy development: No

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, *e.g.*) uses, as well as the supporting infrastructure and public services they will require (*See "Small Area Plans," below*). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Single Family Residential – Conservation - These planned districts would include clustered single family residential uses, at a density – within the overall tract – which is similar to that of adjoining residential uses, and conservation areas, following a Small Area Plan, and providing for balance, compatibility and integration of uses and all supporting infrastructure. Such individual Planned Residential – Conservation developments should aim to achieve contiguity among adjoining conservation areas in adjacent developments.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-4 Single-Family Residential District & PUD Planned Unit Development Overlay to MD-2 Medical Clinic District. This site is located on the east side of LA Highway 1081, south of Smith Road, north of Planche Road. The 2025 future land use plan calls for the site to be developed as a planned district with residential uses and conservation areas. The zoning change is being requested in order to allow for the 6.78 acre parcels of land to be added to the 13.62 acre adjacent site, which is currently zoned MD-2, and is proposed to be developed as a senior care facility. Staff does not have any objection to the request

STAFF RECOMMENDATION:

The staff recommends that the request for a MD-2 Medical Clinic District designation be approved.
