LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Undeveloped Land	PUD Planned Unit Development Overlay
South	Interstate 12	Interstate 12
East	Commercial	HC-3 Highway Commercial
West	Undeveloped Land	HC-3 Highway Commercial and PUD Planned Unit Development Overlay

EXISTING LAND USE:

Existing development: Yes **Multi occupancy development:** No

COMPREHENSIVE PLAN:

Planned Districts - Coordinated development on several parcels, usually at a higher density – but not in all cases - than other parcels in the proximity, planned in an integrated fashion as single units including residential, commercial and possibly other (institutional, recreational, e.g.) uses, as well as the supporting infrastructure and public services they will require (See “Small Area Plans,” below). Generally, such developments improve environmental qualities, preserve natural environments, provide for open space and recreational uses, and for residential as well as commercial uses, and are equipped with central utility systems and efficient and effective internal and external transportation access in multiple modes.

Commercial Infill – New commercial uses developed on undeveloped tracts within existing commercial districts that are compatible with, or improve upon, those existing uses. Such uses may be allowed a greater density of use, in exchange for public benefits that would be provided.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from HC-3 Highway Commercial District to MD-1 Medical Residential District. The site is located on the west side of Holiday Square Boulevard, east of Cellular Lane, north of Interstate-12, being 101 Holiday Square Boulevard, Covington. The 2025 Future Land Use Plan calls for the site do be developed with commercial uses within existing commercial districts that are compatible with existing surrounded uses and provide for public benefits.

The site is currently developed with a hotel. The zoning change is being requested to allow for the existing building to be use as an assisted living facility.

Staff is not opposed to the request as the purpose of the MD-1 district is to provide for the location of long-term care and housing of individuals with medical conditions. The request is compliant with the site’s comprehensive plan designation which calls for residential, commercial and institutional uses. Also, the petitioned site is surrounded by more intensive commercial uses to the north and the east sides.
