**STAFF COMMENTS:**

The petitioner is requesting to change the zoning classification from HC-1 Highway Commercial District to HC-1 Highway Commercial District and Entertainment Overlay. The site is located on the south side of US Highway 190, west of Bremerman Road, being 25020 Highway 190, Lacombe. The 2025 Future Land Use Plan designates the site to be develop with commercial and residential uses.

The existing building was previously use as a restaurant and a portion of the remaining property was use as farm. The objective of the request is to allow for the existing buildings and the site to be use as an entertainment venue and restaurant with lounge. Note that the purpose of the Entertainment Overlay is to allow for entertainment venues, bars, restaurant with lounges and any other facility required to obtain a permit for the sale of beverages of high alcoholic content, other than beer or wine adjacent to residentially zoned neighborhoods.

Staff is not in favor of the request considering that the site is abutting residential zoning on south, east and west sides.
