LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Residential	A-4 Single-Family Residential District
South	Undeveloped	City of Slidell
East	Undeveloped	City of Slidell
West	Residential & Undeveloped	A-4 Single-Family Residential District

EXISTING LAND USE:

Existing development: No Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as "village or town residential" may include mixed uses and would have the highest number of units per acre, while "Rural residential" would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning from A-4 Single-Family Residential District to HC-2 Highway Commercial District. This site is located on the west side of Mc Kinney Road, north of Short Cut Highway, being 1819 Mc Kinney Road, Slidell. The 2025 future land use plan calls for the area to be developed with residential uses. Considering that the site is directly abutting some existing single family residences, staff does not see any compelling reason to recommend approval of the request; however, staff would not object to a request to rezone the site to a NC commercial zoning district classification.

STAFF RECOMMENDATION:

The staff recommends that the request for a HC-2 Highway Commercial District designation be denied.
